**WHAT TO DO TO HELP LORDS
BURG.**
Don't be the man who put sit in ci-
ty. Building good houses builds a
good town. Save a little money and
save a lot of worry. Good roads lead
not only to town, but to money. Be
a live one and the town will never be
a dead one. A nice front porch has
prevented many an old maid. Why
should the town muzzle dogs and not
knockers? When someone plans to
help the town, plan to help the plan.
A good way to make the world. Letter
to be given with the home town.
A town is like a preambulator. It
isn't much used unless it is pushed.
Be like a ball player, the thing he is
always working for is home. Be one
of the leaders of the town, if you can;
but, anyway, keep up. Don't be a
grouch. Everybody in this town wishes
you well, even the doctor.
Let's not be trying to stop some-
thing. A town is like a girl, it's won-
derful what a little thing will do for
her. Opportunity knocks once at
every man's door; better be at home
when the lady calls. Don't look for
one's traps, the hard snaps are the
ones that have the ginger in them.
It improves the soup to throw a little
pepper in it, same way with a town.
If you spend all that you earn some
other fellow is banking your money.
Many a man goes away to seek his for-
tune when fortune is seeking him at
home. You have to be a citizen in
order to vote; but you've got to do a
more than vote to be a citizen.
If you will consider the men in this
town who are well off you will find
that most of them made their money
here.

The LIBERAL is in receipt of a
copy of the "Normalite," the year
book of the New Mexico Normal
School at Silver City. The book is
truly a work of art, and is by far the
best sample of the printer's trade ever
turned out in Grant county. It ex-
emplifies industrious work on the
part of the compilers, the printers,
and the institution represented, in the
one hundred and sixty pages of excel-
lent stories, history, poetry and illus-
trations. The cost to produce the
"Normalite" was \$1,200, or over \$2.50
per copy. One of the excellent fea-
tures of the book is the advertising
patronage which brands conspicuously
the approval of the business men
of Silver City of the Normal School.
The volume shows progress and enter-
prising grit in the school and its em-
ployees. Much credit is due C. C.
Blood, one of the 1915 graduates, for
the success of the "Normalite." Mr.
Blood compiled and supervised the
publishing of the book and did a large
part of the work. His financing is
especially worthy of laudatory men-
tion. In previous years the adver-
tising in the "Normalite" totaled \$1,000
but with Mr. Blood at the head the
receipts were \$700. Raymond J. Coffey
is also responsible for much of the
success of the volume, as is also the
excellent editorial staff. The
"Normalite" is attracting wide atten-
tion wherever received.

Jack-rabbits In The Animas
The Animas valley folks are telling
this one on some of their eastern
visitors, no animal to be mentioned.
The machine member of the doc-
tor went hunting. He shot a jack-rabbit.
He took it home and proudly exhib-
ited it to his better half. With the view
of saving the fur in good condition he
said: "Dearie, I will dry pick this rab-
bit so that the fur will be nice and
fluffy for pillows." His wife had evi-
dently been taught differently for she
said: "Oh no, I'll heat some water and
scald it so that it will pick much
easier and besides, the meat will be so
much whiter."

Some day the LIBERAL will get the
people of Duncan definitely fixed in
its mind and understand that Jim
Parks is not John Parks; that Dave
Williams, Jr., is not Dave Williams,
sr.; neither is the Dave Williams
of Redrock. Nick Hughes, Jr., is not
Nick Hughes, Sr., etc., etc. Until
that day let not the good people of
Duncan get peeved at the erroneous
engagements dispensed at this office.

Week End Bill at Star.

Manager D. W. Briel of the Star
Theatre has secured for a week end
bill, features that may mean a loss of
money for the theatre but a gain that
should give the people of Lordsburg
what they have been asking for, viz.,
a higher grade of movies. Tonight
(Friday) will be shown a new World's
feature production with Robert War-
wick in the leading role of "The Man
of the Hour." This great American
picture should be well known by all
readers. The book and the play have
attracted world-wide attention, and
the film production is said to be even
better than either of the two. All
the original settings and best actors
and actresses are shown in the famous
"Man of the Hour."

On last Sunday evening the house
was well filled despite the warm
weather to see John Bunney in "Love,
Luck and Gasoline."
Manager Briel has wired to Los
Angeles for "The Lord of the Jungle,"
for Sunday night, or an equally
good substitute in case the wild ani-
mal feature is not received.
Starting Monday night, The Key-
stone Comedies with Charlie Chaplin
and Fatty Arbuckle will again be
shown, and also the regular Mutual
features which were so popular here
several months ago. This service be-
gins Monday, July 19th. Mr. Briel is
also negotiating for a new serial pic-
ture.

ments were served and all seemed to
enjoy the occasion immensely.

ant was sentenced to pay a fine of

Death of Mrs. Cosper.

Mrs. George Cosper, of Duncan,
one of the best known old ladies in
southern Grant county, died at the
home of her daughter in Clifton, on
Tuesday. Inherent took place at
Duncan on Wednesday morning. Mrs.
Cosper was aged about 80 years, and
was the mother of four children, who,
together with her husband, survive
her. Heart failure was the cause of
her death.
The family's many friends in this
section extend heart-felt sympathy to
them at their great loss of a loving
wife and mother.

Some time ago Joe Woods' wagon
was hit by a freight train west of
Lordsburg and the bed of the wagon
detached. Later Mr. Woods ordered a
new set of wheels for the wagon and
when they arrived the body was found
tumbling from the side of the railroad
track. One of Mr. Woods' friends
asked the Liberal this week to request
the return of the wagon bed, or would
the possessor of the bed buy the
wheels?

U. S. Commissioner Tripp, of Plas-
as Station, was in the city several
days last week, greeting his many
friends. Mr. Tripp is a loyal and
conservative supporter of the southern
Grant county and a man from whom
the people are expecting big things.

One Spoonful Gives

Astonishing Results
Lordsburg residents are astonished
at the QUICK results from the sim-
ple mixture of buckthorn bark, gly-
cerine, etc., known as Alder-ka.
This remedy acts on BOTH upper
and lower bowel and is so THOROUGH
a bowel "cleanser" that it is used suc-
cessfully in appendicitis. ONE
SPOONFUL of Alder-ka relieves
almost ANY CASE of constipation,
sour or gassy stomach. ONE MIN-
UTE after you take it, the gasses
rumble and pass out. Sold by the
Eagle Drug Mercantile Company.
